The background is a vibrant, symmetrical design. At the top, two large, stylized wings or feathered structures are spread out, featuring red, green, and blue feathers with white floral patterns. Above them is a small, ornate, golden-brown decorative element. The sides are framed by lush green foliage and large, colorful flowers in shades of red, yellow, and pink. The overall style is reminiscent of traditional Mexican folk art or Day of the Dead motifs.

Buenas ventas!
